

# SYNCOPE 2024 - BERLIN

International Interdisciplinary Symposium

Saturday, April 6<sup>th</sup> 2024 | 12:30 - 17:00

cnsystems 

Dear colleagues, customers and experts,

we are happy to invite you to our exclusive interdisciplinary symposium

## >> Syncope Management - state-of-the-art <<

A renowned board of international experts will present their latest findings and experiences in syncope management from interdisciplinary approaches. They will give insight in their daily work with syncope patients from the cardiological as well as from the neurological point of view.

You can look forward to a varied and exciting program with the latest developments in this highly interesting field.

Registration is open now!

See you in Berlin,  
Your CNSystems Team

We have applied for accreditation points for continuing medical education.

---
